§ 425. Nonstandard contract clauses

The Federal Acquisition Regulatory Council shall promulgate regulations to discourage the use of a nonstandard contract clause on a repetitive basis. The regulations shall include provisions that—

(1) clearly define what types of contract clauses are to be treated as nonstandard clauses; and

(2) require prior approval for the use of a nonstandard clause on a repetitive basis by an official at a level of responsibility above the contracting officer.

(Pub. L. 93-400, §29, as added Pub. L. 103-355, title I, §1093, Oct. 13, 1994, 108 Stat. 3273.)

EFFECTIVE DATE

For effective date and applicability of section, see section 10001 of Pub. L. 103-355, set out as an Effective Date of 1994 Amendment note under section 251 of this title.

§ 426. Federal acquisition computer network (FACNET) architecture

(a) In general

(1) The Administrator shall establish a program for the development and implementation of a Federal acquisition computer network architecture (hereinafter in this section referred to as “FACNET”) that will be Government-wide and provide interoperability among users. The Administrator shall assign a program manager for FACNET and shall provide for overall direction of policy and leadership in the development, coordination, installation, operation, and completion of implementation of FACNET by executive agencies.

(2) In carrying out paragraph (1), the Administrator shall consult with the heads of appropriate Federal agencies with applicable technical and functional expertise, including the Office of Information and Regulatory Affairs, the National Institute of Standards and Technology, the General Services Administration, and the Department of Defense.

(3) Government-wide FACNET capability (as defined in section 426a(b) of this title) shall be implemented not later than January 1, 2000.
